Elk Cove "La Sirene"
Pinot Noir and Cabernet Sauvignon
\$10.99

Second label from Elk Cove, "La Sirene" is great value, great flavor. Adam's usual high standards are applied to the making of these fruit forward, simple, well balanced wines that are great for everyday drinking.

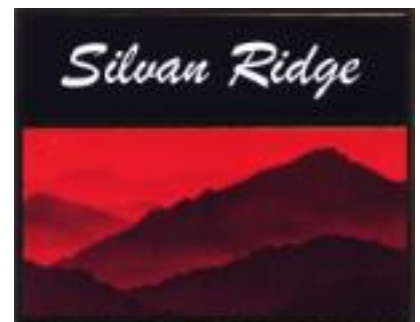

Brooks Winery
"Amycas"
\$10.00

A new wine from Jimi Brooks, excellent value in a crisp, refreshing white for hot weather, seafood, salads, etc.

Silvan Ridge
Chardonnay 2000

An aromatic medley of citrus and tropical fruits are enhanced with hints of tarragon and Asian spices. Rich and concentrated upon entry, a scintillating tension between fruit extract and lively acidity delivers an explosion of flavor.

Wine Spectator, January 2002 85 Points
Northwest Wine Summit 2001 Silver

WPNW Review (Summer 2001): Nice oak leading to tropical fruit, medium acids and a pleasant
aftertaste. A round and flavorful wine.

An aromatic medley of citrus and tropical fruits are enhanced with hints of tarragon and Asian
spices. Rich and concentrated upon entry, a scintillating tension between fruit extract and lively
acidity delivers an explosion of flavor.
